

**GOVERNMENT OF INDIA
HUMAN RESOURCE DEVELOPMENT
LOK SABHA**

UNSTARRED QUESTION NO:625

ANSWERED ON:06.02.2017

Brain Drain

Reddy Shri Midhun

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

- (a) whether the Government is taking several initiatives to reverse brain drain from the country;
- (b) if so, the details thereof; and
- (c) whether the Government is aware of the reasons for which youths of the country are migrating to other countries and if so, the details thereof?

Answer

MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT
(DR. MAHENDRA NATH PANDEY)

(a) to (c) : Yes Madam. The Government is committed to not only to retain the students passing out of the premier educational institutions in the country, but also attract the non-resident Indians back to the Country. For attracting highly skilled researchers to pursue their R&D interests in Indian Institutions, several initiatives have been launched such as: Faculty Recharge Programme, CV Raman Post-Doctoral Fellowship Scheme by University Grants Commission (UGC), Ramanujan Fellowship, JC Bose Fellowship, Swarnjayanti Fellowship, Young Scientist Project Award, Women Scientist Scheme by Department of Science & Technology (DST), and Ramalinga Swami Re-entry Fellowship by Department of Biotechnology. Ministry of Human Resource Development have launched Global Initiative for Academic Network (GIAN) which seeks to tap the talent pool of scientists and entrepreneurs from abroad, including those of Indian origin to augment the country's existing academic resources. This Ministry is also taking up Global Research Interactive Network (GRIN), which aims to enable longer term research interactions between Indian Higher Education Institutes and global scientists and Institutions of repute.
